

EXAM: PROJECT EXCELLENCE® – FUNDAMENTALS

The Project Excellence® – Fundamentals exam is your proof of participation in Implement’s Project Management Programme – IPMA®.

The Project Excellence® – Fundamentals exam is proof of your participation in Implement’s Project Management Programme – IPMA®, modules 1 and 2. At the same time, it is a great opportunity to learn and strengthen your project management competences.

Target group

To take the exam, you must have participated in the following modules:

- “Project Management 1: Manage your project”
- “Project Management 2: Lead your project team”

The exam is your proof of participation in Project Management 1 and 2 and that you master the tools as well as the methods.

The exam

- Is a written exam consisting of 180 multiple choice questions
- Lasts 2.5 hours and takes place once every six months

After the exam, you will receive an exam certificate, including a description of the contents of Project Management 1 and 2.

You will receive a feedback report with your scores on each of the 25 topics covered by the exam. The feedback report will form a basis for strengthening your competences in project management.
